

Campus Security Authority Incident Report

According to the Higher Education Act, 20 U.S. C. 1092 now known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the University must collect certain campus crime statistics. This law applies to certain crimes reported to the police and other campus officials.

DIAL 911 immediately to report emergencies and crimes (if the victim wishes to do so). This form is NOT reported to police. If there is any possibility that the crime may pose an ongoing threat to the University of Mississippi campus community, after reporting to police call Campus Safety & Security at 662-915-7234.

To assist the University of Mississippi in complying with the federal Clery Act, this form should be utilized by Campus Security Authorities (CSA) to report crimes to UPD and/or the Clery Compliance Officer as soon as possible after a crime has been reported to the CSA. Under the Clery Act, a crime is reported to a CSA when a student, employee, or third party brings information about an alleged crime to the attention of the CSA and the CSA believes the report was made in good faith. The Clery Compliance Officer will use the information provided in this form to classify the crime for purposes of inclusion in the University's annual crime statistics. **If you report the incident to the police, please do not fill out this form.** This report is to be forwarded to your Campus Security Authority. The details of this report will not be made public. Only the number of crimes occurring will be released. Your name will not be released. It is not required for the report, but it will help ensure the crime is not counted twice.
